

Trekking/climbing Sardinia - Selvaggio Blu

Selvaggio Blu (The Wild Blue) is the name of a trekking trial on Sardinia's east coast. It is known as Italy's most challenging trekking and is absolutely one of the most beautiful! The trial goes for a few tuff days on the edge of the Mediterranean blue. Climbing walls, white beaches to sleep at, full natural impact and Sardinian old time food prepared on open fires are some of the promises from this totally unforgettable trip.
