Piedmont is a green and lush region with beautiful hills, large and small woodlands, the Alps to the north reaching impressive heights and everywhere vineyards. Some of Italy's, and the world's, best wines are produced here.

The area is rich in gastronomic experiences. The food is robust and the region is known to be the truffle's promised land. In addition, the well-known breadsticks, grissini, come from here.

Turin is Italy's first capital and housed Italy's royal family. The royal legacy is one of the reasons why the city's historical core is featured on the UNESCO World Heritage List.

Program

Saturday

Arrival and short transfer to the center of Turin and the 18th century palace that houses our hotel, [Torino Piazza Carlina](#).

We gather for a classic Italian aperitivo, before we enjoy a delicious dinner buffet.

Sunday

Lovely hotel breakfast.

Full-day conference, with a break for an enjoyable treasure-hunt in teams through the city, as we discover Turin's many different faces. Lunch, in the form of a buffet, will be served next to the conference room. In the afternoon, a coffee break is planned.

The restaurant for the evening is located at the shore of the idyllic river Po.

Monday

After breakfast we will go to Roero and the famous wine district Langhe. It will take no longer than an hour with our bus. Once again we will divide into different teams for hiking and truffle-hunting with dogs and truffle-hunters. Chances are good the dog will find the "white gold" truffle! We will take a break along our way to taste local products.

We continue to an agriturismo nearby where we have lunch with local wine from the Nebbiolo-grape, the same grape found in Barolo and Barbaresco. The bus will pick us up at the restaurant.

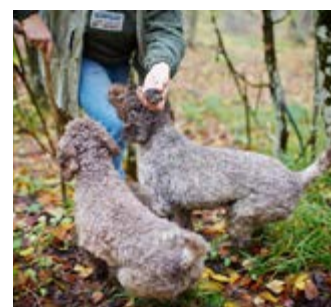

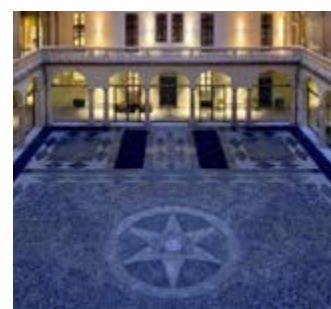

Back in Turin, time for a quick shower and for a stroll in town along with the torinesi on their way home from their workplaces. If you are interested in looking at any of Turin's attractions, we will be pleased to help you.

Dinner will be at the hotel.

Tuesday

A nice breakfast will end our visit this time.

Departure by bus to the airport.
